Ali Mohamed Sonbol

UX/UI Designer

M [Gmail](#)   Bē [Behance](#)   📞 +201062946377   in [Linkedin](#)

I'm an engineer with a touch of art so as a UI/UX Designer, I have a passion for creativity and problem solving, combining aesthetics with practical functionality to create designs that enhance the user experience and meet customer needs. I work efficiently with multi-disciplinary teams to ensure that project objectives are achieved and quality products are delivered
I'm aiming to be the best version of myself, as a designer and a human being.
